### POLICIES REGARDING INTERNAL EVALUATION

#### a) Continuous internal evaluation of students of RCE:-

Continuous internal evaluation of the students is an integral part of the teaching learning process. The students have been encouraged continuously to study sincerely for the improvement of their performance in our college. The college has an examination committee to carry out the effective implementation of internal assessment. The university has included a semester pattern of examination for the B.Ed. students. The examinations and evaluation process of all the disciplines are conducted by the university in the end of each semester.

The college has also implemented various reforms in internal evaluation system. At the beginning of each semester, the students are instructed about the syllabus and evaluation process. The formative approach to evaluate students achievements includes various academic activities e.g. seminars presentation, group discussion, assignments and project submission etc.

The students knowledge of the subject is evaluated on the basis of their presentation skill, communication skill and language fluency. The internal examination are conducted which includes subjective and objective type questions. The students are asked to submit home assignment within proper time schedule. Group discussion is arranged by the faculty in the class room. The internal examination committee plans and implements internal assessment process to evaluate the students' performance prior to university examination. The internal examination is coordinated with the academic calendar.

The college takes care to maintain the confidentiality in the work of internal examination process whenever there is a change in the evaluation method as per direction of university, it is communicated to the faculty by circulating a copy of the university of the students. The results of the internal examinations are published as early as possible. The concerned subject teachers conduct a personal interface meetings with the students. The students are apprised of their strength and weakness for further improvement. The results are analyzed to identify slow and advanced learners.
