ABOUT COLLEGE:

Ramshobha College Of Education (RCE) located at N.H.-33, Bankheta, P.O. Chuttupalu, Near Ormanjhi Toll Plaza Ranchi-Ramgarh Express Highway, District – Ramgarh is run and managed by Ramshobha Educational Welfare Trust. The college has been established in the year 2013. The college could be reached from N.H.33 highway (Near Ormanjhi Toll-PLAZA) which leads to Ranchi-Ramgarh Express way Road.

Under Article 30(1) of the Constitution of India and as per the agreed document of the board of trustees, the College is an imperative need for a larger number of untrained graduate youths of the region and make them qualified to seek employment and to promote human resource which could be safely entrusted with the responsibility of teaching the students in the light of cultural, religious and linguistic heritage of tribal community of Jharkhand so that they may be able to discharge their national obligation, making India a glorious nation. RCE is having well equipped building with well equipped laboratories, library and other essential facilities as required by National Council for Teacher Education. It is located in a very peaceful area having wonderful scenic beauty and well connected from all corners of Ranchi and Ramgarh.

With the sole objective of meeting the long felt need of a college to prepare 'teachers for next generation' to bring the weaker section of the society, ST's, SC's and Minorities into the national mainstream, RCE is striving hard to provide quality education utilizing the latest technological aids in classroom teaching which would enable the students to face all challenges in life.

AIMS & OBJECTIVES OF THE SEMINAR:

The objective of the seminar is to examine the ethical dimensions of Artificial Intelligence in education, exploring its role in personalized learning, inclusivity, and responsible teaching practices. It seeks to empower educators and learners to balance technological innovation with human values, fostering an equitable and ethical future for education.

1. To explore the intersection of artificial intelligence, ethics, and education in shaping the future of teaching and learning.
2. To create awareness about the ethical responsibilities of educators, policymakers, and technologists in the age of AI.
3. To encourage critical reflection and dialogue on the opportunities and challenges AI brings to the educational ecosystem.
4. To highlight how AI can be leveraged as a tool for inclusive, equitable, and student-centered education.

SCOPE & OUTLINE OF THE SEMINAR:

The seminar on “Teaching Tomorrow: Ethics, Education and the Power of Artificial Intelligence” aims to examine how AI is reshaping the future of teaching and learning. It will explore the use of AI in classrooms, personalized learning, and intelligent assessment, while also addressing ethical concerns such as data privacy, fairness, and the digital divide. The sessions will highlight both opportunities like inclusivity, accessibility, and efficiency and challenges, including over-dependence on technology and the preservation of human values in education. The seminar will also focus on the evolving role of teachers and the need to prepare students for responsible and ethical use of AI in the future.

THEME OF THE SEMINAR

**“TEACHING TOMORROW: ETHICS,
EDUCATION AND THE POWER OF
ARTIFICIAL INTELLIGENCE”:**
