

Date 07.04.21.

Meeting of IQAC Committee held on 07.04.2021. In this meeting it is observed that some allotted works not completed in time. The main reason of failure was Covid-19.

Again it is expected that in next meeting, there will be no problem. In agenda of meeting it should be marked.

At last, members were asked to find some more points of improvement in College Campus.

Meeting concluded with vote of thanks.
