

Date: 12.11.2021.

As per previous agenda, it was observed that works allotted were finished in stipulated time period. It's a matter of satisfaction for all members.

In this meeting, the point raised by a member indicated towards green campus. Thoughts involved were:

1. Green Campus works on lowering their impact in damaging the atmosphere by offering sustainable dormitories.
2. These dormitories promote green living amongst students by lowering the uses of normal electric grids.

Members were satisfied with thoughts and views.

Meeting concluded with thanks given by NAAC Coordinator.
